

Locating Quiz Question IDs in Canvas

1. Go to the **Quizzes** tab in the Canvas site where the questions will be administered and student scores will be recorded.
2. Select the specific quiz that includes the question(s) of interest.
3. On the Quiz's page, select the **Quiz Statistics** option in the upper right corner under the **Related Items** header.

4. On the Statistics page, select the **Item Analysis** option in the upper right corner.

5. Once the file has been downloaded, open it in Excel and locate the relevant columns.
